Operator Theory, Analysis and Mathematical Physics

8 - 14 January 2020, Mexico City

Instituto de Investigaciones en Matemáticas Aplicadas y en Sistemas (IIMAS)
Universidad Nacional Autónoma de México (UNAM)

OTAMP 2020

The OTAMP conferences have been organized every second year from 2002 to 2016 in various European cities: Bedlewo (2002, 2004, 2008, 2010), Lund (2006), Barcelona (2012), Stockholm (2014), Saint Petersburg (2016).

This edition of the conference will honor **Ricardo Weder**, his influential work on mathematical physics, and his crucial role in the foundation and development of the mathematical physics community in Mexico.
